

Apple tree Cottage welcomes up to **832 guests each year**.

This means our beautiful respite home endures huge amounts of wear and tear.

There is a huge financial commitment to ensure this sanctuary remains a welcoming, clean and relaxing haven for children with cancer and their families

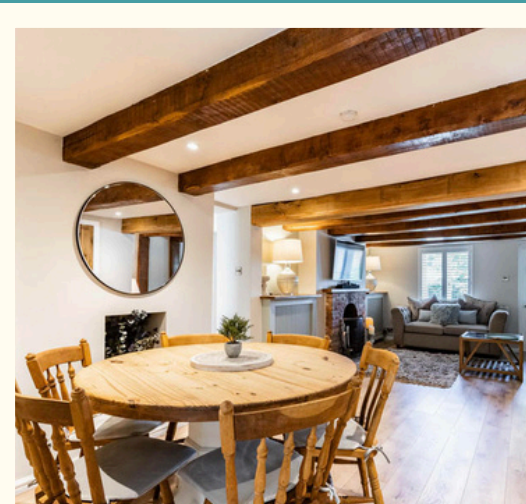

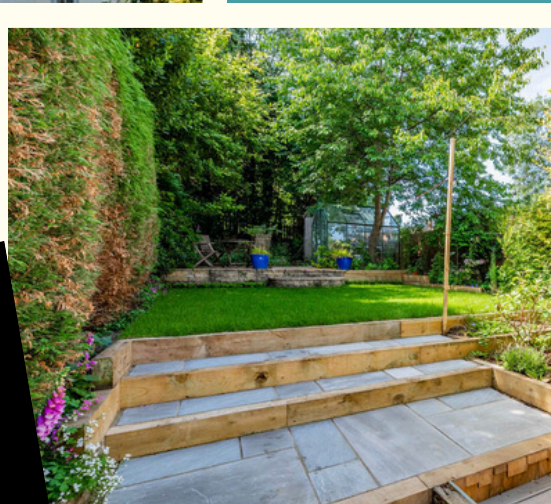

£15,000 raised from an Football Evening means that we can:

- **Decorate the interior of AppleTree cottage**
- **Refurbish the Kitchen and renew the floor**
- **Fit a new side gate**
- **Install artificial turf for year round enjoyment**

Without these funds this work would not be possible.
